FIG. 3.

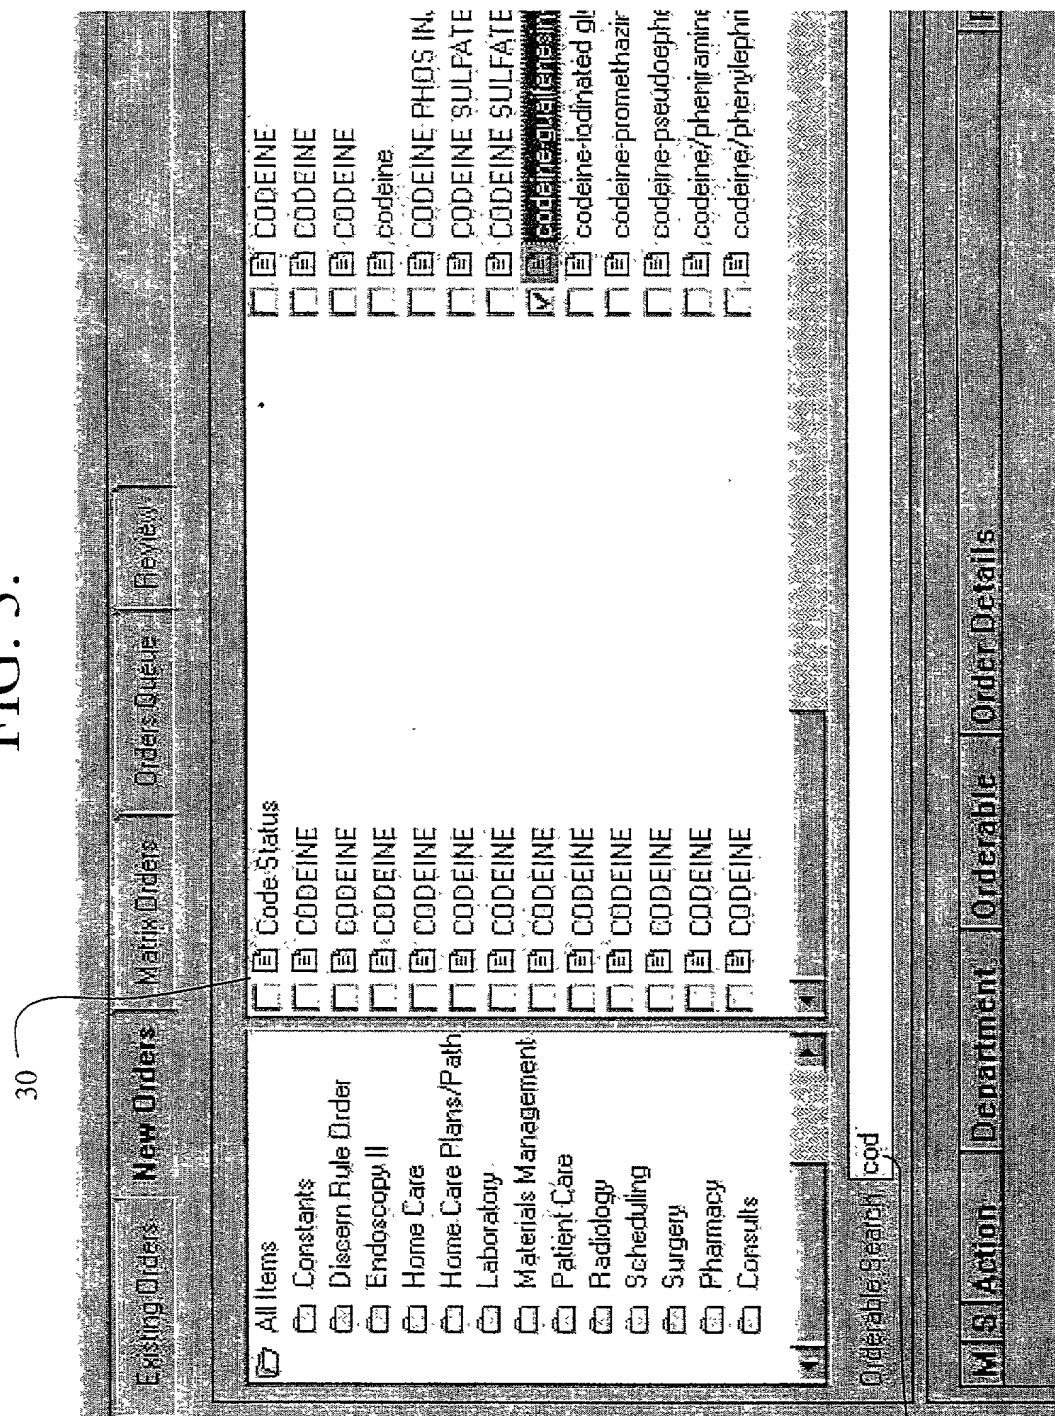

FIG. 4

The screenshot shows a software window titled "Department Order Entry - Order Entry". The window has a menu bar with "Task", "Edit", "View", "Order", "Customize", and "Help". Below the menu bar is a toolbar with various icons. The main area contains several input fields and labels:

- Client:** A dropdown menu showing "Baseline West Medical Center".
- Person Name:** A text field containing "Genetic Joe DNA".
- Orderable Selection:** A text field containing "GYP2D6".
- Medical Record:** A text field containing "000870".
- Specimen Type:** A dropdown menu showing "Blood".

Reference numbers 44 and 46 point to the "Person Name" and "Orderable Selection" fields, respectively.
